Dear Apex High School Seniors,

The Apex Cougar Club was established over twenty years ago with three primary objectives:

- To provide financial support for all athletic programs at Apex High School.
- To generate a spirit of enthusiasm for these athletic programs within Apex High School and its surrounding communities.
- To promote interscholastic athletics as a means of improving the physical condition, enhancing the mental wellbeing, and strengthening the moral fiber of the students of Apex High School.

In that spirit, the Cougar Club is pleased to continue its scholarship offering established during the 2014-15 School Year. We will offer two, \$1000.00 scholarships; one each to a male and female Apex High School Senior Athlete committed to continuing their education at a two- or four-year college or university.

We encourage you to review the application packet and apply. The deadline to submit your application to Student Services is **Tuesday, April 30, 2019**. We are proud to offer these scholarships and look forward to hearing from you.

Thank you and congratulations on your accomplishments here at Apex High School,

*Your Apex Cougar Club*
