

**APEX HIGH SCHOOL
MID-YEAR GRADUATION REQUEST**

Student's Name: _____
(Please print)

Wake County School Board Policy # 5530.2.2

Whenever a student completes graduation requirements early or late, the student:

- A. May elect to graduate prior to the end of the academic year
- B. May not participate in any extracurricular activities or athletics after mid-year graduation.
- C. May participate in graduation practice and ceremony at principal's discretion if a signed request from the parent/guardian has been received within two weeks of the end of the final semester of study.

Mid-year graduating seniors can request to participate in the graduation ceremony in June. These students will be required to attend the graduation rehearsal, and will receive their diplomas at the graduation ceremony. These students are responsible for information regarding all dates, times, and locations.

Please note that graduation rehearsal and the graduation ceremony will be the only two school-sponsored activities in which mid-year graduates may participate during the Spring semester, including Prom and Senior Day.
(Graduates who are invited as a guest of a Apex HS student may attend prom)

I have read and understand the above policy regarding mid-year graduation. I understand that if this request is approved, then this is considered a final decision and Apex High School will schedule all remaining graduation requirements in the fall semester. Requests to reverse this decision will require the consideration of the principal.

Please check one of the statements below:

- My signature verifies that I have contacted the college/university and determined that mid-year graduation will not affect my child's admission.
- My child does not plan to attend a college/university.
