

Grade Point Average (GPA)

- What does GPA stand for?
- What are quality points?
- How do I calculate it?

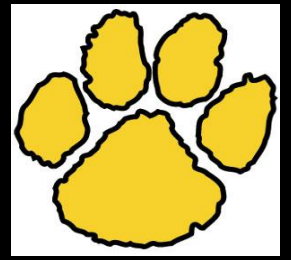

Quality Points

Standard, Honors, Advanced Placement (AP)

| Grade | (Standard) | (Honors) | (AP) |
|-------|------------|----------|------|
| A | 4 | 5 | 6 |
| B | 3 | 4 | 5 |
| C | 2 | 3 | 4 |
| D | 1 | 2 | 3 |
| F | 0 | 0 | 0 |

How to Calculate Your GPA

- Add the number of quality points earned for the final grade in each course
- Divide the total number of quality points by the number of courses taken
- The result is the grade point average—GPA
